

# Permit Fee Schedule

<b>Fire Alarm System – New Installation</b>		<b>Other Protection Systems</b>	
Control Panel With Up to 4 Devices	\$207.00	Class I or Class II Standpipe (part of a Sprinkler System)	\$80.00
Control Panel With 5 to 100 Devices	\$344.00	Class III Standpipe (part of a Sprinkler System)	\$96.00
Per Additional Groupings of 100 Devices	\$70.00	Storage Tank Installation: Flam or Comb Liquids	\$88.00
Per Additional Panel	\$55.00	Liquefied Petroleum	\$88.00
Per Additional Floor	\$55.00	Cryogenic	\$88.00
Sprinkler Supervision System	\$104.00	Medical Gas Systems (Gaseous Oxygen, Nitrous, etc.) (Not part of Building Permit)	\$88.00
		Storage Tank Installation (Hazardous Materials not mentioned elsewhere)	\$88.00
<b>Fire Alarm – Modifications to Existing System</b>		Storage Tank Removal or Abandonment (flammable or combustible liquids)	\$88.00
1 to 5 New Devices (no battery calculations)	\$44.00	Emergency or Stand-by Commercial Power Generator Installation	\$88.00
1 to 5 New Devices (with battery calculations)	\$88.00		
Additional 6 to 20 New Devices	\$44.00	<b>PERMIT:</b>	
20+ New Devices Refer to New Installation		Conditional Use Permit	\$88.00
Control Panel Replacement (no device revisions)	\$207.00	Temporary Use Permit	\$88.00
Sprinkler Supervision Panel Replacement (no device revisions)	\$104.00	Tents/Canopy Permit	\$88.00
		Event Permit	\$88.00
<b>Fire Sprinkler Systems - New or Existing</b>			
1 to 9 Heads	\$72.00	<b>PLANS CHECK AND REVIEW</b>	
10 to 49 Heads	\$227.00	New Commercial plans check and inspection (not mentioned elsewhere)	\$88.00
50 to 100 Heads	\$380.00		
101 to 200 Heads	\$448.00	<b>LAND USE</b>	
201 to 300 Heads	\$482.00	Subdivision/PUD	
301 to 400 Heads	\$518.00	Preliminary	\$176.00
401 to 500 Heads	\$587.00	Final	\$88.00
Over 500 Heads	\$690.00 +\$0.50/Head		
For Hydraulically designed systems multiply the fees above by 2.		Short Plat	
		Preliminary	\$176.00
<b>Non-Suppression Systems – New Installation</b>		Final	\$88.00
Class I hoods, Clean Agent, Spray Booths, Wet or Dry Chemical, CO2, etc.		Operational Permits	\$88.00
Panel & Bottle with up to 5 Nozzles	\$137.00		
Panel & Bottle with 6 or more Nozzles	\$137.00 +\$14.00/Nozzle		
Additional Bottles	\$40.00		
<b>Non-Suppression Systems – Modifications to Existing System</b>		Inspection fee (two inspections are included with a permit)	\$75.00
Class I hoods, Clean Agent, Spray Booths, Wet or Dry Chemical, CO2, etc.			
		City of Spokane Valley Processing Fee* ( Fire Permits Only)	\$(per SV)
		*2.5% credit/debit card transaction/processing fee added by SV	
1 to 3 new Nozzles (no new Bottle)	\$44.00	City of Liberty Lake Processing Fee ( Fire Permits Only)	\$(per LL)
1 to 3 new Nozzles (with new Bottle)	\$88.00		
<b>Fire Pump Installation:</b> Plan review and inspection fee	\$690.00	Engineering Review (per hour) (in increments of 0.25 hours with a minimum of 0.25 hour)	\$88.00
<b>Underground Fire Mains:</b> Plan review and inspection fee	\$207.00		
<b>Standpipes (not part of a Sprinkler System):</b> Plan review and inspection fee	\$207.00
